THE DIRECTOR OF CENTRAL INTELLIGENCE

SP - 112/74
20 August 1974

MEMORANDUM FOR: Assistant Chief of Staff for Intelligence,
Department of the Army
Director of Naval Intelligence
Assistant Chief of Staff, Intelligence,
United States Air Force

SUBJECT: Request for Participation in an Interagency Intelligence
Memorandum on Soviet Land-Mobile ICBMs

1. The desirability of an interagency intelligence study on Soviet land-mobile ICBMs was discussed at a meeting of intelligence research managers of CIA, DIA, State, and NSA, chaired by NIO/SP, last May. At that meeting, CIA/OSR and DIA/DE both indicated they had independent studies underway on this subject and would seek to combine them, for use either as an Annex to the forthcoming NIE 11-3/8 or as an interagency intelligence memorandum which could be issued separately and cross-referenced in NIE 11-3/8. A combined draft is now in nearly final form. The amount of information and the scope of analysis in it leads me to believe that it would be useful to consumers to have it issued as a separate paper which would illuminate our present judgments and uncertainties with respect to this key intelligence question.

2. Accordingly, I request participation of your agency in completion of an Interagency Intelligence Memorandum on Soviet Land-Mobile ICBMs. I have asked CIA/OSR to assume primary responsibility for completing the study, which should be issued by 1 October in order to provide timely backup for NIE 11-3/8. The draft of the paper will be circulated during the week of 26 August, and meetings on it are expected to begin during the week of 9 September.

3. [redacted] of CIA/OSR has been designated action officer. You are requested to forward the name of your representative to him on [redacted] by C.O.B. 23 August.
